

Letter from Outgoing President | Chris Kay

Thank you to everyone that helped the Leadership Stockton Alumni Association this past year! Thanks to this continued participation, LSAA continues to follow its mission to support Leadership Stockton and cultivate relationships amongst alumni.

Thank you to those who became members this year! Your membership dues are the lifeblood of the organization, and we would have no LSAA without alumni to support it. In contributions large and small, thank you.

Thank you to those who sponsored and attended our Community Leadership Breakfast! With a topic of Stockton in the Global Economy, the featured presenters of the Port of Stockton, Union Pacific, and Cal Cedar/Blackwing showed Stockton's role in global trade around the world.

Thank you to those who came out to the mixers. In August, LSAA welcomed a brand new class with a mixer hosted at Valley Brew, where they had a chance to meet our great alumni base. In December, LSAA celebrated its 20th anniversary with a mixer at Papapavlo's. As is tradition, toys were collected to donate to the Stockton Shelter for the Homeless.

Thank you to the Leadership Stockton Class of 2017/2018. Raising well over \$40,000 dollars, they took on two projects involving the Stockton Children's Museum and the Podesto Teen Center. These highly visible, highly impactful projects included painting the toy soldiers in front of the Children's Museum, and fixing the bowling lanes, adding computers, and fixing the concession stand at the Teen Center. Their hard work, dedication, and fundraising will have a lasting impact on the community for years to come.

Finally, I would like to thank the Board of LSAA for their hard work and support this year. I have been very privileged to work with such an amazing group of people. A major benefit of LSAA is getting to work with both professional and personal leaders, and our community is a better place with their support towards a positive movement. LSAA is in great hands with incoming President Toby Farnsworth, Vice President Karen Amestoy, Treasurer Stephanie Banuelos, and Secretary Rames Creel leading the way, and we all look forward to your continued support this coming year!

Randy Burns, Class of 2015, was awarded LSAA Alumni of the Year by Board President Chris Kay

Distinguished Alumni

Annie Cunial and Armando Valerio were awarded Co-Distinguished Class Members at Graduation by Board President Chris Kay

LSAA Membership

As the Leadership Stockton Alumni Association approaches our fiscal year end, the LSAA Board of Directors has one primary question to ask the over 800 alumni. What value and meaning does LSAA membership hold for you, personally and for this community?

Continued leadership development

LSAA membership, with its modest \$50 annual fee, offers incredible opportunities for growth as local leaders, including:

- Networking - stay engaged with fellow alumni at our free, fun, well-attended LSAA mixers throughout the year
- Education - receive member-discounted pricing toward our informative annual Community Leadership Breakfast, where executive level speakers from various sectors within our community highlight their own organizations

Apply what you learned

LSAA membership provides opportunities to apply what you've learned from the Leadership Stockton program through:

- Serving on our diverse and highly motivated board of Directors
- Leading one of the various planning committees for LSAA mixers and fundraisers
- Contributing to the efforts of community service and involvement in a variety of platforms

Support the continued success of the leadership Stockton program

- LSAA provides program scholarships each year, ensuring that qualified and capable community members, who would otherwise lack the financial means, are able to participate – benefiting both the recipients and the program as a whole
- Members are afforded “first option” to sit in the interview and selection panel for each new class

LSAA membership provides real value to not only the individuals from the program, but also to the broader community. We strongly encourage you to continue your leadership development, apply what you have learned, and support the continued success of the Leadership Stockton program by joining or renewing your membership today!
