## 2019 Community Leadership Breakfast Highlights

- 150 attendees.
- Breakfast proceeds of \$5K helped establish a Community Fund in partnership with the Community Foundation of San Joaquin.
- Several local agencies were eligible to apply and three were awarded funds based on last year's breakfast theme.
- Our intention for future breakfasts is to continue this program with an annual grant awarded based on the breakfast topic.

## President's Message

What a year it has been already, as we welcome August! The Board and I cannot thank you all enough for the support you have offered this year. Through dues, participation and advocacy in our community, each of you have made an immense impact already! Although the programming for this year will look a little different than in years past, we have every intention of continuing to serve our mission - connecting Alumni and supporting the LS program. It is my personal request that you will continue your support of LS, LSAA, and the great City of Stockton

*Community Center for the Blind*

*Gospel Center Rescue Mission*

by being a 2020-2021 dues paying Alumni, AND by attending our 2020-2021 events; whether they be virtual or in-person. Our Board is working hard to plan relevant and innovative virtual sessions to keep everyone connected, give community leaders a sense of direction, and provide relevant information on how to contribute during these times. We look forward to seeing you later this year - virtually and in-person!

Stay safe, healthy, and sane,  
Karen Amestoy, President, Class of '17
